CORRECTIONS !

PR should submit polling details (visual documents of his work) and people's verdict to UPP party

PR will get one or maximum two more chance to improve his work and get positive verdict from public. If he is unsuccessful then he should resign

PR should make a list of all Central & State Government schemes, projects & privileges which are useful to the people and present it to them

Our ultimate aim is to bring Blockchain technology in all stages of Governance for complete transparency.
