As per the UPP's Standard Operating Procedures (SOP), I will be in contact with you through various platforms for your involvement in Governance by simple and authentic Polling/voting process....

1. Will be in continuous contact with you.
2. List out all your demands.
3. As per your requirements / demands, work out different optional projects with timeline, budget, quality and durability in consultation with subject matter experts, which will be presented before you for approval.
4. As per your approval and feasibility final project will be executed under complete transparency.
5. Will submit all the authentic and visual documentation of the projects to you showing all the aspects of project being carried out under complete transparency.
6. By simple polling/voting process done by me and UPP once in every six months, I will continue to work / correct / resign as per your decision.
7. As a Prajakarmika (People's Employee), abide to all the decisions made by you in the next Five Years.

-Signature of the Aspirant

If you believe that the above Aspirant is eligible and abide to all of the above, do recommend this person to get the ticket from Uttama Prajakeeya Party to contest in this election.

- Upendra (Founder President, UPP)

SPECIAL NOTE:

The ticket will be issued by Uttama Prajakeeya Party only after the scrutiny of the above documents proposed by the aspirants, If three or four aspirants bring the proposal of public support, the person with the most support will be selected. If found that the public support is polled by using a different means apart from the Prajakeeya Ideology then the later will be considered.

This is a selection process and not a competition. No matter whoever is nominated, the people should be told by Aspirant to support the candidate whoever selected by UPP.
